## Permission to play contact/collision sport consent form

Australian football / rugby league and rugby union are collision sports. I understand that:

- For my child/ward to play **Australian football/rugby league/rugby union** as part of the representative school sport program, they have undertaken an appropriate skill training program resulting in suitable experience to play this sport at representative level.
- The wearing of a correctly-fitted mouthguard is mandatory in all games and training sessions.
- While efforts are made to minimise the possibility of injury, there will remain some degree of risk inherent in participation in this collision sport.
- I must notify convenors if there is a certain position/s my child/ward is not allowed to trial for.
